Garden Leisure Premium Spas proudly uses recycled materials where possible. We practice "Green Manufacturing" procedures, while ensuring an unrivaled standard of quality.

Garden Leisure Cares !

QUALITY REFINEMENT PRECISION

its what sets

Garden Leisure Premium Spas & Swim Spas

apart from the competition.

Built to last and designed for comfort, Garden Leisure Premium Spas offer everything the discerning spa owners requires. Ample room and first-class amenities make for a winning combination while high performance pumps create a superb swimming environment and a wide range of jets ensure a professional quality luxury hydrotherapy massage.

We invest time into constructing well built spas, using the highest quality materials and develop a state-of-the-art therapeutic and entertainment user experience.

High Quality Maintenance Free Cabinets and Colour Combination Options

Garden Leisure Premium Spas offers a selection of colour options - designed to fit any decor. With proper care, your hot tub will be as rich and lustrous years from now as it is today.

The Garden Leisure Premium Spa polymer cabinet offers an unparalleled look, texture and performance. Our polymer cabinets are maintenance free and feature custom rounded corners and removable panels for access to all areas inside the spa. The Garden Leisure Premium Spas cabinetry is moisture and impact resistant, therefore it doesn't crack or fade. It is also sound proof and flame retardant.

Garden Leisure Premium Spas cabinet provides additional insulation, which in turn means a cost saving for the customer. In fact the Garden Leisure Premium Spas polymer cabinet combined with interior foam insulation, is rated with an R-27 insulation value (as complete insulation system)
